Next Generation Curriculum Receives Perfect Score in Third Party Review

(Dallas, TX) January 7, 2021 — The Texas Education Agency (TEA) has approved Frog Street’s next generation of comprehensive curriculum, [Frog Street Pre-K 2020](#), for the Proclamation 2021 Pre-K Adoption. In addition to Frog Street Pre-K 2020 meeting 100% of the Texas Pre-Kindergarten guidelines, it received perfect scores in each of the 11 categories examined during the Texas Resource Review process, a third party review commissioned by the TEA.

“Frog Street is used in more than 60% of Texas public Pre-K classrooms, and we combined the feedback from our Texas teachers and administrators with the latest in brain research and instructional best practices to create this next generation of Pre-K curriculum,” stated Ron Chase, Frog Street CEO. “Receiving perfect scores in all 11 categories from an unbiased third party review validates the hard work by our team to deliver Frog Street Pre-K 2020, and we’re thankful to all of the Texas districts for providing the ideas that make this such an innovative curriculum.”
