Correlation between the Frog Street Prekindergarten 2020 Guidelines and the 2015 Desired Results Developmental Profile

Note that the first column, below lists domain-specific *Frog Street* learning goals. The second column lists correlated DRDP domains and measures. *Frog Street* learning goals may support one to all corresponding DRDP measures. Teachers must review individual activities to determine which DRDP domains and measures are most appropriate. They must also determine which DRDP level has been mastered by children, per measure.

DRDP Domain Abbreviations

ATL-REG = Approaches to Learning-Self Regulation (embedded throughout Frog Street Learning Goals)

SED = Social and Emotional Development

LLD = Language and Literacy Development

COG = Cognition, Including Math and Science

HSS = History-Social-Science

VPA = Visual Performing Arts

PD-HLTH = Physical Development-Health

Technology Applications (added domain--not covered by DRDP measures)
