Excel Pre-K

DEVELOPING A LIFELONG LOVE OF LEARNING

ARE COMPREHENSIVE PRE-K PROGRAMS OUT OF YOUR BUDGET'S REACH?

Not any longer! **EXCEL PRE-K** sets children on a trajectory to success through engaging read-alouds, math and science explorations, playful music and movement, and hands-on learning centers – all at an affordable price.

IS IT IMPORTANT THAT YOUR CURRICULUM FOCUSES ON SOCIAL-EMOTIONAL DEVELOPMENT?

EXCEL PRE-K features a strong social-emotional component that builds caring school families and develops compassionate happy learners using Dr. Becky Bailey's Conscious Discipline®.

ARE YOU LOOKING FOR SIMPLE LESSON PLANS THAT OFFER A FLEXIBLE FRAMEWORK AND STANDARDS ALIGNMENT?

EXCEL PRE-K is organized into nine four-week themes offering the following:

- Overarching topics that spark children's interest;
- Intentional instruction in all areas of development; and
- Simple lesson plans with both structure and options to meet learning goals and follow children's interests.

FROG STREET'S VISION

is to change the next generation of children by equipping early childhood educators with developmentally appropriate curriculum and best-in-class professional learning.

BUILD STRONG FOUNDATIONS IN MATH AND LITERACY

Giving preschoolers a solid foundation in early math and literacy skills is essential to prepare them for their future academic success. **EXCEL PRE-K** builds:

- A strong math foundation through small-group lessons and interactive hands-on explorations.
- A language-rich environment that helps children develop pre-reading skills and listening comprehension.

DIFFERENTIATE INSTRUCTION TO MEET THE NEEDS OF ALL LEARNERS

EXCEL PRE-K offers lesson adaptations and options to meet the needs of all learners by including English Language Learner and Special Needs suggestions at the point-of-use in the Teacher Guides. Lessons are designed to fit visual, auditory, and kinesthetic learning styles.

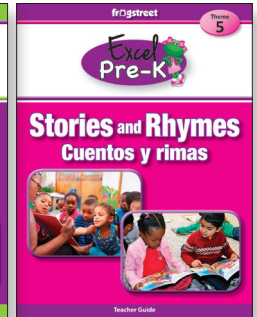

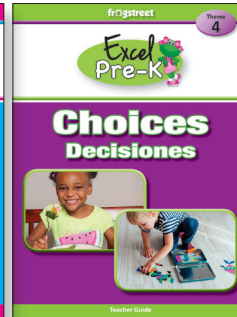

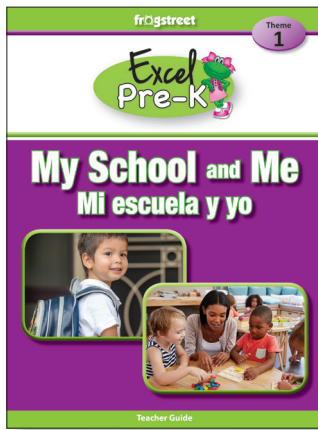

DEVELOP ESSENTIAL SOCIAL-EMOTIONAL SKILLS

Helping children recognize and manage their own emotions and learn how to navigate social interactions with others is front and center in **EXCEL PRE-K**.

Children learn to become responsible members of their classroom family through Conscious Discipline®, a comprehensive classroom management and social-emotional program. Through this program, children experience an environment where they feel safe and loved.
